

IMAGE Premium

MANUAL SCREENS

IMAGE Premium manual pull-down screens can be easily mounted directly on wall or ceiling. The projection surface is quality matt white, fibreglass backed screen fabric, with black masking borders.

The slimline case is finished in white powdercoat, and incorporates end brackets for simple mounting on wall or ceiling.

30cm of extra black drop is provided on all Video and HDTV models which can be used if required for recessed ceiling or high ceiling installations.

Premium casing showing the dual function (wall or ceiling) mounting bracket system.
